

DEVELOPMENT REVIEW / LOT LINE ADJUSTMENT

(Planning Staff Review Required/ Average Processing Time: 6-8 weeks)

SUBMITTAL CHECKLIST

- 1. **APPLICATION FORM**
- 2. **APPLICANT LETTER**
 - A. On a separate sheet of paper, please describe your project.
- 3. **FEE PAYMENT**

See attached fee schedule for applicable fee information. Make check(s) payable to the "City of Costa Mesa."
- 4. **PLANS – either blueprint or photocopies**
 - A. Development Review**
 - 1. **18" x 24"** (or larger) drawn to scale and folded to 8-1/2" x 11", with the face of the plans out:
 - a. **Four sets** (stapled) containing site, floor and elevation plans.
 - b. **Two** additional site plans.
 - 2. **11" x 17"** plans folded in half, with face of plans out:
 - a. **Two sets** (stapled) containing site, floor and elevation plans.
 - b. **Eight** additional site plans.
 - 3. **One 8½" x 11"** copy of plan(s).
 - B. Lot Line Adjustment**
 - 1. **Two copies** identified as "**Exhibit A**" containing an accurate and complete legal description of
 - 2. **Eighteen copies** identified as "**Exhibit B**" – **8½" x 11"** photocopies or blueprints
 - 3. **Grant deed(s)** describing the resultant property or properties.
 - 4. **Updated Title Report** prepared within the last 6 months.
- 5. **PRELIMINARY GRADING PLAN** (for development projects only, discuss with planner)

Submit three copies showing: Existing and proposed grade elevations at the property lines; Elevations are to be shown at 20-foot intervals; Existing grade elevations 5' away from the subject site on all surrounding properties; Arrows depicting direction of flow and identification of any existing drainage courses; Finished floor elevations of all the proposed and existing buildings (to be retained).

PROCESSING TIME

Approximately 6-8 weeks. The following will extend the processing time:

- Incomplete application (due to lack of information, inaccuracies or revisions)
- Project revisions made by the applicant
- Environmental document required (e.g. Negative Declaration)

PLANS CHECKLIST FOR DEVELOPMENT REVIEW

The plans shall contain the following information:

- 1. Address of project;
- 2. Name and telephone number of applicant or architect;
- 3. All plans must be drawn to scale;
- 4. Topography/grading plan if:
 - 1. There is greater than a 2-foot elevation difference onsite.
 - 2. Site elevation exceeds (or will exceed) neighboring property by 1 foot or more.
- 5. Existing trees;
- 6. Location of structures on adjoining lots. Identify structures and indicate location of second-story windows.
- 7. Setbacks from ultimate property lines, if applicable, and distances between buildings;
- 8. Required right-of-way dedications, if any, and location of ultimate property lines;
- 9. Dimension and use of existing (to remain) and proposed structures;
- 10. All property lines and dimensions;
- 11. Pedestrian access and circulation;
- 12. Landscape and other open space areas;
- 13. Walls and fences - height and materials;
- 14. Trash enclosures (except residential projects with 4 units or less);
- 15. Loading area, including dimensions and screening;
- 16. Off-street parking:
 - 1. Designate types and number of spaces;
 - 2. Dimensions of parking stalls, maneuvering areas, and driveways;
 - 3. Identify paving materials; and
 - 4. Show location of curbing and wheel stops.
- 17. Names and widths (to centerline) of all adjacent streets and alleys;
- 18. Scale of drawings (large-sized site plans must be drawn to scale);
- 19. North arrow;
- 20. Easements on or across the site;
- 21. Floor plans including dimensions and use of the rooms;
- 22. Exterior elevations of all side of the buildings, including height, use of rooms and materials;
- 23. Roof plan

The following information, where applicable to your project, must be provided either on site plan or separately:

- 1. Lot area (after dedication, where required);
- 2. Number of dwelling units, classified by number of bedrooms per unit (X=bachelor, Y=1 bedroom, Z=2 bedrooms); dens libraries, studios, etc. are considered "bedrooms" for this purpose;
- 3. Number of parking spaces – classify as to open parking, carport, garage;
- 4. Area (sq. ft.) and percentage of lot devoted to open space (area other than buildings, driveways, parking);
- 5. Area (sq. ft.) of each building, and total building area (including carports and garages);
- 6. Area (sq. ft.) and percentage of lot devoted to driveway and open parking.

PLANS CHECKLIST (for Lot Line Adjustment)

For a Lot Line Adjustment, the plans should contain the following:

- 1. Scale and north arrow;
- 2. Heavy solid lines for project boundary, light solid lines for proposed property lines; and light dashed lines for existing property line;
- 3. Assessor's Parcel Number for each existing parcel;
- 4. Detailed property line dimensions and bearings;
- 5. Centerline and names of any abutting streets and dimensions from centerline to existing and ultimate right-of-way lines;
- 6. Distance to centerline of nearest intersecting street;
- 7. The location and width of all existing and proposed easements and right-of-way lines;
- 8. The location of all existing structures on the site, with distances shown to the proposed property lines;
- 9. Number for each parcel (Parcel 1, Parcel 2, etc.);
- 10. Net area of each parcel after the adjustment;
- 11. Certification by all owners of record that they are the owners of record and are requesting the adjustment. Notarized signatures of all owners of record may be on the map or on separate form(s) attached thereto;
- 12. Certification as to the accuracy and correctness of all information contained on the map. This certification shall be made by the registered engineer or licensed land surveyor preparing the map and shall include a wet ink signature and seal. If not prepared by a registered engineer or licensed land surveyor, the certification shall be made by the owners of record; the owner's signature must be notarized.

APPEALS

The Planning staff is responsible for approving or denying this application. The item can either be appealed or called up for hearing before Planning Commission. The appeal must be filed by 5:00 p.m. at the Planning Division within 7 days of the original staff decision for consideration of any new evidence not known by staff at the time of their decision. See attached fee schedule for the filing cost of an appeal.

MATERIALS INCLUDED IN APPLICATION

Additional material included in this packet:

- Application form
- Processing fees information

WATER QUALITY MANAGEMENT

WHY ARE THEY REQUIRED?

In response to the Federal Clean Water Act of 1987 and the National Pollution Discharge Elimination System (NPDES) permit requirements, the City of Costa Mesa requires the Water Quality Management Plan (WQMPs) for certain types of projects. The intent is to reduce the content of storm water runoff to the maximum extent possible.

WHAT TYPE OF PROJECT REQUIRES A WQMP?

1. All construction projects, which require discretionary approval by the City of Costa Mesa shall be required to submit a WQMP for approval by the City prior to the issuance of building permits.
2. All subdivisions of land shall be required to submit a WQMP for approval by the City prior to recordation, if determined applicable by the City.

WHAT IS A WQMP?

A WQMP is a written document indicating what structural and non-structural “best management practices” will be incorporated into the project, both design and operation characteristics, to control pollutant runoff into the storm drain system over the life of the project. Contact the City for more information about this requirement.

SEISMIC HAZARD MAP ACT SUMMARY

WHAT IS REQUIRED?

The State’s minimum criteria for project approval within Seismic Hazards Zones are defined in the California Code of Regulations (CCR Section 3724 (b)). The following is a summary of the criteria that shall be used by the City of Costa Mesa:

1. A project shall be approved only when the nature and severity of the seismic hazards at the site have been evaluated in a geotechnical report and appropriate mitigation measures have been proposed.
2. The geotechnical report shall be prepared by a registered civil engineer or certified engineering geologist.* The geotechnical report shall contain site-specific evaluations of the seismic hazard affecting the project, and shall identify portions of the project site containing seismic hazards. The report shall also identify any known off-site seismic hazards that could adversely affect the site in the event of an earthquake. The contents of the geotechnical report shall include, but shall not be limited to, the following:
 - Project description
 - A description of the geologic and geotechnical conditions at the site, including an appropriate site location map.
 - Evaluation of site-specific seismic hazards based on geological and geotechnical conditions, in accordance with current standards of practice.
 - Recommendations for appropriate mitigation measures as required in Section 3724(a), above.
 - Name of report preparer(s) and signature(s) of a certified engineering geologist and/or registered civil engineer.*
3. Prior to approving the project, the City of Costa Mesa, or a City-selected consultant,* shall independently review the geotechnical report to determine the adequacy of the hazard evaluation and proposed mitigation measures and to determine that the requirements of Section 3724 (a) above, are satisfied.

*Having competence in the field of seismic hazard evaluation and mitigation

(Above criteria from the “*Guidelines for Evaluating and Mitigating Seismic Hazards in California*” – March, 1997)

NOTE: This is a listing of City Departments and Divisions as well as other agencies that may require a development fee for your project. Although it is intended to be a complete list, there may be other agencies (AQMD, CalTrans, etc.) that have fees that are not included above. It is your responsibility as either the applicant or authorized agent to ensure all applicable fees are paid. These fees are subject to change; therefore, please contact the responsible City Division or agency for the current rate.

City of Costa Mesa Traffic Impact Fees

The City of Costa Mesa assesses a traffic impact fee on an incremental basis. The fee is assessed as follows:

Traffic Impact Fee Schedule	
Effective November 21, 2005	
EXISTING PLUS PROPOSED AVERAGE DAILY TRIP ENDS (ADT)¹	TRAFFIC IMPACT FEE¹
0-25 ADT	\$0/ADT
26-50 ADT	\$50/ADT for incremental trips exceeding 25 ADT.
51-75 ADT	\$75/ADT for incremental trips exceeding 50 ADT.
76-100 ADT	\$100/ADT for incremental trips exceeding 75 ADT.
101 ADT OR MORE	\$181.00 per average daily trip.
<p>1. For the determination of the appropriate incremental traffic impact fee rate, the existing ADT (if applicable) plus the proposed new ADT are combined together. The traffic impact fee is assessed on the increased number of average daily trips generated by the proposed project. Any and all questions regarding the City's traffic impact fee should be directed to the City's Transportation Services Division, located on the 4th floor of City Hall.</p>	

City of Costa Mesa Parkland Impact Fees

The City of Costa Mesa recently approved an increase in its parkland impact fees. The new parkland impact fees will be incrementally increased over a 3-year period. The following table indicates the applicable parkland fee per unit that will be applied to a new residential subdivision based on the date the application is filed with City.

Parkland Impact Fee Schedule				
Subdivision Application Filed:	Before and On July 15, 2005	On and After July 16, 2005	On and After July 16, 2006	On and After July 16, 2007
For Each Single-Family Dwelling Unit	\$5,481.72	\$8,178.00	\$10,875.00	\$13,572.00
For Each Multi-Family Dwelling Unit	\$4,829.09	\$7,829.00	\$10,829.00	\$13,829.00
