Marine Care-Pac Program

Providing Support for Costa Mesa's Adopted Marine Battalion, the 1/5

The City of Costa Mesa and the 1st Battalion 5th Marines (1/5) Support Group have resumed the Care-Pac Program. The main collection point for items remains the footlocker in the lobby of City Hall. The mission of the Care-Pac Program is to provide support for Costa Mesa's adopted Marine Battalion. This is a great way for our community to invoke good will, inspire civic pride and patriotism. Plus, it is a morale booster for the Marines of the Battalion. The 1/5 are currently deployed in Afghanistan, so any monetary donations help offset the cost of shipping via FPO/AP. Please see the list of needed items.

A collection box is located in the first floor lobby of City Hall. Thank you.

Financial Contributions

Support Marines and their families by making a donation payable to: City of Costa Mesa 1/5 Fund. Donations made to the City of Costa Mesa exclusively for public purposes are considered to be tax deductible in accordance with IRC 170(s)(1), as long as the donor does not receive any substantial benefit in return for the contribution.

Contact Dan Baker at (714) 754-5156 for questions or comments.
