

# The Fairview Park

Twilight Tour

& Train Ride

All  
Aboard!

The Fairview Park Friends Committee invites the community to a summer evening tour of Fairview Park,

**Saturday, July 21, 2007 :**

**5:30 pm**

Meet at the picnic shelter at the Park's westerly side, and please be sure to bring along comfortable shoes and a jacket. This season's tour will feature an evening walk through the park, followed by a train ride courtesy of the Orange County Model Engineers. "Bug" Bob Allen, adjunct professor of Biology at both Santa Ana and Irvine Valley colleges, will lead the approximately 90-minute tour, and will be interpreting the variety of insects and animals found throughout Fairview Park. For further information, please call the Fairview Park Friends Hotline at.
