

FAIRVIEW PARK FRIENDS COMMITTEE UPDATE

After seven years of hard work in raising the community's awareness of Fairview Park and its adopted Master Plan, the Fairview Park Friends Committee was dissolved by the City Council on April 15, 2008. The Committee was responsible for establishing several Fairview Park annual events—Paws Around the Park and Lounge Chair Theatre—as well as four seasonal tours.

The City Council expressed sincere thanks to Committee Members:

- Kimberly Woods, Chair and founding Committee Member
- Bob Platfoot, Orange County Model Engineers Park User Group rep and founding Committee Member
- Bill Thomas, Member at Large
- John Anderson, Harbor Soaring Society Park User Group rep
- Bob Palazzola, Costa Mesa Historical Society User Group rep
- Colin McCarthy, Member at Large

The City will look at alternatives to continue both the annual events and the seasonal park tours.

Many thanks to the many friends of Fairview Park for their continuous support!
